Testing Made Easy

CLIA-Certified Covid-19/Flu/RSV Testing

“The U.S. should prepare for a spike in COVID cases this winter as more people gather indoors and infections are already rising in Europe, White House COVID-19 Response Coordinator Ashish Jha says.”

-NPR, 10/13/2022

It's easy to start.

WHY PCR?

- PCR tests are more reliable than Rapid (false negatives)
- We also have high quality antigen tests vs recalled tests

QUICK TURN-AROUND

- Less than 24 hour turn-around with FedEx
- Easy one-time registration yearly

SIMPLE

- Proper self-collection or in-person collection
- Guaranteed test kits in any quantity

NO COST / AFFORDABLE

- No Cost with any insurance
- Pre-negotiated rates for uninsured California students

TRANSPARENT

- Easy individual access to test results
- Dedicated school admin portal with real-time reporting

CERTIFIED

- CLIA-certified laboratory
- Partnered with CDPH, CalREDIE, CDC
